

# Give back to your community.

**Thousands of households in Illinois do not have local telephone service. You can help make a difference for struggling households in your community.**

The economic slow-down has been hard on everyone, but for some of those most affected even the cost of a telephone has become too high. These include persons with disabilities, senior citizens, and families with young children. You can help them connect to emergency help, employers, schools and relatives by contributing to the Universal Telephone Assistance Corporation (UTAC).

The UTAC Lifeline and Link-Up programs help low-income individuals and households acquire local phone service and get a discount on their monthly phone bills.

It's easy to contribute. Simply fill out the form on the reverse side and indicate the amount you would like to give each month – 50 cents, \$1, \$2 or as much as \$5. That amount can be paid with your monthly telephone bill. Your contribution will be supplemented by federal funds to help provide phone service for individuals and families who could not otherwise afford it.

**PLEASE HELP!** *Every contribution counts. You may also make a one-time donation.*
